

# Lion's Roar

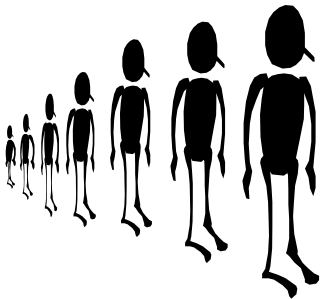

March 2011

## March Meeting

Our March meeting is Thursday. It is an important meeting so everyone should try to attend. We have to go over assignments and things for the Pancake Breakfast which is Sunday **March 6, 2011**. The snow should have stopped by then, I hope, so come on out.

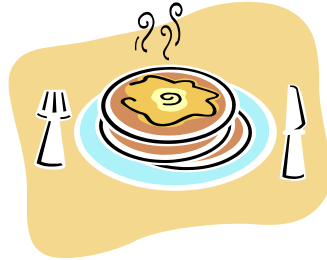

## Feb. Meeting

At February's meeting we had a good turnout. We decided to **change the Pancake Breakfast date to March 6, 2011**. Hopefully the weather will be milder by then and maybe we will get a better attendance.

## New Members

We have 4 new members joined at the Holiday party. Everyone should come out and welcome them into the club.

## Pancake Breakfast

**"News Flash!!" Pancake Breakfast has been changed to March 6, 2011.** Our annual Pancake breakfast is coming up fast so everyone should be out getting advertising and selling tickets this month. We will probably need some new advertising this year so if you know someone who might want to advertise, get an ad from them.

## Nifty 50/50

I will have tickets available at the meeting this Thursday. Top prize, if all tickets are sold, is \$10,500.

If you have any information you want added in the newsletter contact me at 767-8549 or email me at [Bpfrank@aol.com](mailto:Bpfrank@aol.com) with a txt or doc file I can clip it directly into the newsletter. I usually write up the newsletter the weekend before the dinner meeting.
